

Psych, garage, prog, powerpop, soul, folk... for people who want more!

SHINDIG! MEDIA PACK

Shindig! has established itself as a cutting edge forum and critique of the glories of 60s and 70s music, film and culture since its national launch in November 2007.

Shindig! has steadily positioned itself as the leading UK publication covering CD and DVD reissues, giving informed and entertaining analysis of classic, collectable music and artists from the latter part of the 20th Century.

Shindig! is an eclectic cornucopia overflowing with obscure TV and film, psychedelia, folk, garage rock, folk rock, progressive rock, funk and soul. Contributions from our team of international expert writers ensure that new and intriguing tales about influential artists fill every issue.
